HEALTH INSURANCE

*Health ki Guarantee*

**13th**  
**ANNUAL**  
**REPORT**  
**2019-20**

Dear Shareholders,

I trust you and your family are safe and in good health.

The world is witnessing an unprecedented predicament at the centre of which lies a health crisis. We, at Religare Health Insurance (RHI) maintain the strongest resolve to be of service to humanity as we tide through these testing times together.

On the business side, FY 19-20 has been yet another encouraging fiscal. Our overall business grew by 31%, even as the Standalone Health Insurance (SAHI) industry recorded a growth rate of 27%. A stable leadership team continued to guide the Company as it explored the potential of new business lines, markets, partnerships and servicing innovations. Even as we are now the preferred health insurer for customers, our business objectives continued to be built on a bedrock of value for money health insurance solutions, technology-led quality servicing capabilities and customer-centricity. Also, a special word of mention to the successfully-run Ayushman Bharat mandate in Chhattisgarh, that was lauded by the state's bureaucracy and government alike.

The Company, as always, laid due emphasis to adherence of all prescribed statutory compliances and regulatory processes within defined periods. A profit of Rs. 65.7 Cr was reported for the last fiscal.

Company now draws significant interest in the investor community. Over a short period of time, the Company has attracted investments in two tranches, one of Rs.27 cr. during FY 19-20 and another of Rs.300 cr. by Kedaara Capital that was recently concluded. This capital will help us further our investments in distribution, technology, servicing opportunities and building healthy solvency margins.

We now have a formidable, country-wide footprint of 156 branches with over 8600 employees. This scale facilitates a 'within-reach' proximity to our current & prospective customers and also helps us effectively synergize efforts with various partner channel networks. I am also pleased to inform you that Religare Health Insurance has received two coveted industry commendations last year – it was adjudged the 'Best Health Insurance Company' at the Emerging Asia Insurance Awards, 2019 and was conferred the 'Best Medical/Health Insurance Product Award' at the FICCI Healthcare Excellence Awards, 2019.

I am also very pleased to inform you that the name of your Company has changed from **Religare Health Insurance** to **Care Health Insurance**; this transition has taken effect from August 19, 2020. The guiding principle for this transition was to adopt an identity that is a true embodiment of what we do as a Company – Care. And from this was born Care Health Insurance. As a Company, we remain the same; be it the stable and tenured management team, bouquet of value-for-money products or technology-driven servicing capabilities; everything remains the same – except the name.

I would like to conclude by recognizing the commendable transition of the team in adapting swiftly and seamlessly to the 'new normal'; even as both business and servicing parameters remained unhindered. Clearly, a robust, future-planned technology framework has been the arrowhead for this transformation and will continue to be an area of focused investment for us.

With best regards,

Dr. Rashmi Saluja

Non –Executive Chairperson

Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the Financial Statements under the provisions of the Act and the Rules

thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

#### **Other Matter**

The estimate of Claims Incurred But Not Reported (IBNR), Claims Incurred But Not Enough Reported (IBNER) and Premium Deficiency Reserve (PDR) have been certified by the Company's Appointed Actuary. The Appointed Actuary has certified to the Company that the assumptions used for such estimation are appropriate and are in accordance with the requirements of relevant regulation issued by IRDAI and Actuarial Practice Standards issued by Institute of Actuaries of India. We have relied upon on the Appointed Actuary's certificate in this regard for forming our opinion on the financial statements of the Company.

Our opinion is not modified in respect of the above matter.

#### **Information Other than the Financial Statements and Auditor's Report thereon**

The Company's Board of Directors is responsible for the preparation of the other information. The other information comprises the information included in the Director's Report, and its annexures, but does not include the financial statements and our auditor's report thereon. The other information is expected to be made available to us after the date of this auditor's report.

Our opinion on the financial statements does not cover the other information and we will not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information identified above when it becomes available and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit, or otherwise appears to be materially misstated.

When we read the other information, if we conclude that there is a material misstatement therein, we are required to communicate the matter to those charged with governance and take appropriate actions, if required.

#### **Responsibilities of Management and Those Charged with Governance for the Financial Statements**

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act, 2013, with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance and receipts and payments of the Company, in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under Section 133 of the Act, read with applicable rules, the requirements of the Insurance Act, 1938 as amended by the Insurance Laws (Amendment) Act, 2015, Insurance Regulatory and Development Authority Act, 1999, the Insurance Regulatory and Development Authority (Preparation of Financial Statements and Auditor's Report of Insurance Companies) Regulations, 2002, and the orders / directions and circulars issued by the IRDAI in this regard, to the extent applicable and in the manner so required.

This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and

application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements, that give a true and fair view and are free from material misstatement, whether due to fraud or error

In preparing the financial statements, the Board of Directors is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Those Board of Directors are also responsible for overseeing the Company's financial reporting process.

#### **Auditor's Responsibilities for the Audit of the Financial Statements**

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the company has adequate Internal Financial Controls with reference to financial statements in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we

conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.

- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide to those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

**Annexure 'A', as referred to in paragraph 2(h) of 'Report on Other Legal and Regulatory Requirement' Section to the Independent Auditor's Report of even date on the Financial Statements of Religare Health Insurance Company Limited**

**Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")**

We have audited the internal financial controls over financial reporting of **Religare Health Insurance Company Limited** ("the Company") as of 31<sup>st</sup> March, 2020 in conjunction with our audit of the financial statements of the Company for the year ended on that date.

**Management's Responsibility for Internal Financial Controls**

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the "Guidance Note on Audit of Internal Financial Controls Over Financial Reporting" (the "Guidance Note") issued by the Institute of Chartered Accountants of India ("ICAI"). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013 including the provisions of Insurance Act, 1938 as amended by the Insurance Laws (Amendment) Act, 2015, Insurance Regulatory and Development Authority Act, 1999, the Insurance Regulatory and Development Authority (Preparation of Financial Statements and Auditor's Report of Insurance Companies) Regulations, 2002 and the orders / directions and circulars issued by the Insurance Regulatory and Development Authority of India ("IRDAI") in this regard to the extent applicable.

**Auditor's Responsibility**

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") and the Standards on Auditing issued by the Institute of Chartered Accountants of India and deemed to be prescribed under section 143(10) of the Companies Act 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

### **Meaning of Internal Financial Controls Over Financial Reporting**

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the Company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the Company are being made only in accordance with authorisations of management and Directors of the Company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the Company's assets that could have a material effect on the financial statements.

### **Inherent Limitations of Internal Financial Controls Over Financial Reporting**

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

### **Opinion**

In our opinion, to the best of our information and according to the explanations given to us, the Company has, in all material respects, adequate internal financial controls with reference to the financial statements and such internal financial controls with reference to the financial statements were operating effectively as at March 31, 2020, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting Issued by the Institute of Chartered Accountants of India.

**Other Matter**

The estimate of Claims Incurred But Not Reported (IBNR), Claims Incurred But Not Enough Reported (IBNER) and Premium Deficiency Reserve (PDR) have been certified by the Company's Appointed Actuary and have been relied upon by us as mentioned in 'Other Matter' paragraph of our Audit Report on the financial statements for the year ended 31<sup>st</sup> March, 2020. Accordingly, our opinion on the internal financial controls with reference to financial statements does not include reporting on the adequacy and operating effectiveness of the Internal controls over the quantum and accuracy of the aforesaid liabilities.
